

The smaller (but significant) books of the New Testament

Together we will explore the 11 shortest books included in the New Testament and discuss their place in scripture and how they shape our life together in today's world. The shape and content of each book will be introduced using materials from [The Bible Project](#). We will watch videos together during Bible Study. The provided posters are very helpful resources for exploring the material. Digital and print copies are available from Saint Luke or at [BibleProject.com](#).*

February 16: **1 Timothy** - [video](#), [poster](#), chapters 1 & 2

February 23: **1 Timothy** - chapters 3 & 4

March 2: **1 Timothy** - chapters 5 & 6
